

Midlands Business Insider – September 2008

**We asked business owners in the Midlands about their employment related concerns.**

They told us maintaining legally compliant employment documentation, and integrating legal changes into the business ground them down the most.

**It doesn't have to be that way.**

FREE on-going email alerts and support data in plain English keeping you compliant when you purchase legal employment documents from [www.cleardocs.co.uk/midlands](http://www.cleardocs.co.uk/midlands)
